

## Out-Of-Network Insurance

### Note

Patients with insurance considered “out-of-network” means NFLWC doesn’t have a contract with the patient’s insurance carrier/plan. There is no agreement for a discount on our fee.

- Patient(s) must pay the full fee during service. NFLWC will file a courtesy claim to the patient's insurance company.
- NFLWC will refund the patient if a payment is received from the insurance company.
- Patients must follow up with their insurance for any coverage under the plan for out-of-network benefits.
